Hillsboro, Dec. 16, 1859.

Hillsboro Lyceum.

Our town residents will be glad to learn that the Lyceum has been re-organized for the winter, and provisions made for a course of Lectures, twelve in number, to be delivered on Friday evening of each week, in the Court House. In order to make the Lyceum self-sustaining, and not a tax upon a few individuals, a small charge will be made for admission to the Lectures, this season. Tickets for the entire Course, admitting a gentleman and accompanying ladies, may be procured for \$1, and tickets for a single Lecture for 15 cents. They are for sale at the following places—Saylor's book store, Bowles' book store, S. E. Hibben & Co.'s dry-goods store, and Dr. W. W. Holmes' office.

The first Lecture of the Course will be delivered in the Court House, Tomorrow Evening, Dec. 16, by Rev. THOS. APPLEGATE. Subject—Scotland—the Land of the Picturesque."

The second Lecture of the Course will be delivered by A. S. Boys, Esq., on Friday evening, Dec. 22d.

P.S.—Since the above was written, we learn that Rev. HENRY WARD BECHER is confidently expected to lecture before the Lyceum some time during January next.

Ladies' Fair and Supper.
The Ladies of St. Mary's Episcopal Church will hold a Fair in the Court House on Tuesday Evening, Dec. 20th, for the benefit of the church. They will have for sale a great variety of articles suitable for Christmas and New Year's Presents, besides refreshments tables. We hope they will be liberally patronized. The price of admission will be only 15 cents—refreshments extra.

For the News
Pumpkin Seeds for Distribution.
J. L. BOARDMAN, Esq.—Dear Sir:—I design through your paper to acknowledge the receipt of a superior variety of Pumpkin Seed from Dr. ROSS of Dodson township, and to give notice that I have left fifty papers containing twelve seeds each at the Drug Store of James Brown, in Hillsborough, for distribution among the members of the Highland County Agricultural Society.

W. O. COLLINS,
Pres't. H. Co. A. Society.

ALLEGED HIGHWAY ROBBERY.—Mr. Harvey Hedrick, a farmer living about 2½ miles east of town, states that he was knocked down by three men while crossing Clear Creek bridge on Tuesday night of last week, and robbed of about \$800 which he had received that day for his hogs. From certain circumstances, however, we understand that some are inclined to doubt the truth of Mr. Hedrick's story, though we believe he has heretofore sustained a good character for integrity and fair dealing. Time will probably throw more light upon the matter.

The following resolutions were passed at a late meeting of the Fire Department, held Dec. 6th:

Resolved. That the thanks of the Department be tendered to the Ladies who so kindly attended the tables at our late festival.

Resolved. That our thanks are tendered to the Commissioners for the use of the Court House.

Resolved. That the papers of Hillsboro be requested to publish the same.

W. H. WOODROW, Pres't.

OLIVER BASKIN, Sec'y.

SERIOUS ACCIDENT.—Early on Monday morning last, Mr. Thomas Brown, a brakeman on the cars, while attempting to couple two freight cars, slipped and fell between the bumpers, breaking his shoulder bone. The limb was set by Dr. E. Holmes, and the patient is now doing very well.

On Wednesday last, a little son of Rev. THOMAS APPLEGATE, slipped upon the ice in their yard and fell, breaking his thigh-bone. The limb was set by Dr. Sam, and there is every prospect of his speedy recovery.

We have been enjoying fine, whole-some winter weather for a week or ten days past. The snow which fell a week ago furnished some tolerably good sleighing, and has not yet entirely disappeared.

CHRISTMAS IS COMING, and this year, according to the almanacs, it falls on Sunday. Monday, we suppose, will be the day for the customary festivities of the season.

Court is still in session. There has been nothing of general interest in the cases disposed of. The term will probably continue a day or two longer.

STATE BOARD OF AGRICULTURE.—At the meeting of this body held in Columbus last week, JAMES M. TRIMBLE, Esq., of this place, was elected President of the Board for the ensuing year.
